Conditions of Use:

Doug Smith Spares and NQ Appliance Spares 30 day accounts may be paid using Mastercard or Visa Card. Any account being paid by credit card must be finalised in full before the close of each month. (e.g. all February invoices will be charged to your credit card on the last trading day of February) You will then be sent a statement showing your invoices for the month, a payment on the last day, and an outstanding balance of zero.

Should any payment not be met, or any balance not be paid in full for any reason, you will be sent a statement showing the amount outstanding, and you will be expected to make arrangements to pay the balance within the 30 day period. Amounts outstanding in 30 days may be paid with a credit card by arrangement, but, in the event, a levy will be charged to your account, to cover the bank charges etc.

Should you require any special conditions to be placed upon your payment, (e.g. if you would like us to call you first with the amount, or if there is a maximum amount you wish to pay) then please specify these conditions below.

Declaration:

I declare that I am the owner of the above credit card, and I hereby authorise Lubon Holdings Ltd (Doug Smith Spares) to charge my monthly account purchases to this credit card, in accordance with the Doug Smith Spares Trading terms, the conditions of use, and with any special conditions listed below.
